

Surgical Technology—Faculty

Tisha Clark

(207) 974-4657 | tclark@emcc.edu

Tisha Clark is the Program Director of the Surgical Technology Program at EMCC and is the instructor of three of the core classes. Tisha is a Registered Nurse and Certified Surgical Technologist.

She has worked at Eastern Maine Medical Center intermittently for seven years along with her current employment at Inland Hospital where she works per diem when not teaching. She admires the Surgical Technology profession

and values education which she believes is the key to success.
