MyEMCC Portal:

Username: Student ID Number (Would have been provided in a letter from Admissions Office)

MyEMCC Password can be changed or reset on the MyEMCC Portal Home Page.

https://my.emcc.edu/ICS

Student Email: EMCC will only send emails to your student email account. Please see below for instructions on how to access.

Link for student email: https://www.outlook.com/student.emcc.edu

Log in with your email address (Firstname.Lastname@student.emcc.edu) and the password you use for MyEMCC.

Using Campus Computers:

Username: Email address provided by EMCC

Example: Tim Conroy – username is Timothy.Conroy@student.emcc.edu

Password: Same password as MyEMCC Password.

Wireless Access: Same credentials as "Using Campus Computers"

Note: If your laptop goes into Stand-By you will need to re-authenticate to the wireless.

Campus Printing: Each student is given 350 prints per semester. When you are logged into a campus computer your print count will be displayed. A student is able to purchase more prints from the Business Office, if needed. An additional 100 prints will costs $5.

Wireless Printing: http://emsrv-printman1.emcc.edu/app

Student can click on the Wireless Printing Quick Link on the MyEMCC main page. The student will then be required to log in and select the appropriate wireless printer. Username will be your email address and password will be your MyEMCC password.

Rave (Emergency Alert System): https://www.getrave.com/login/emcc

Student accounts are automatically created. Set up how you would like to be notified by logging in with your student ID# and your MyEMCC Password.

Changing Your Password: Users are able to change their password by going to MyEMCC. On the home page is a form that allows users to enter in the following information to change their password: ID number, full first name, last name, social security number and birthdate. **Please note this password change will affect the following accounts and passwords: your MyEMCC password; your password for logging onto the computers on campus, your password for logging into wireless and your Student email password.
