

Our Adventures in Healthcare program provides high school students with the opportunity to explore the wide variety of healthcare careers through hands-on activities and exciting tribe challenges. Campers actually practice casting, suturing, and spine immobilization. They take x-rays and use the laparoscopic robots in the EMMC operating room. They sometimes even get to sit in Lifelight helicopters! They not only see the tools professionals use, but they get to touch and use them as well. This component of our program is what makes it truly unique! It is a jam-packed 4 days of fun, excitement, and once-in-a-lifetime experiences! Come join us!

Tribe Leaders We are seeking six (6) Tribe Leaders to serve as camp counselors June 24-28th. Each Tribe Leader will be responsible for a group of approximately ten campers and lead them in competitions, exploration activities and unique demonstrations and challenges. Candidates must be at least 20 years old, responsible, adaptable, energetic, motivated, and work well with youth ages 13-17. Must be able to engage participants, facilitate and manage group dynamics, serve as role model, enforce camp rules and provide feedback and guidance in appropriate behavior. Background check required. Healthcare experience preferred but not required. Must be available for training the afternoon of Sunday, June 24th and reside on-campus at Eastern Maine Community College for duration of program.

Dates:	June 24-28, 2018	Compensation:	\$575
Application Deadline:	April 20, 2018	To apply, email:	life@emcc.edu

Night Monitors We are seeking two (2) Night Monitors to provide overnight supervision of sixty youth, ages 13-17, for the programs duration. Duty hours are 8:00pm-8:00am, Monday evening through Thursday morning and include enforcing curfew, behavior management, assisting with medical emergencies/homesickness, and other camp-related tasks such as laundry. Candidates interested in position for entire camp program a plus.

Candidates must be at least 20 years old, responsible, adaptable, mature, and motivated and work well with youth. Must be able to problem-solve, enforce camp rules, and provide feedback and guidance on appropriate behavior. Background check required.

Dates:	June 25-27, 2018	Compensation:	\$120 per night
Application Deadline:	April 20, 2018	To apply, email:	life@emcc.edu
