

Eleanor and Lewis Miller Life Saving Scholarship

The Life Saving Scholarship recognizes emergency medical technicians and students who desire to be an EMT. These students face struggles with financial obstacles and hardships throughout the pursuit of their degree. The scholarship will provide support to students enrolled in the Emergency Medical Services program who meet the criteria below.

- Enrolled in courses in the EMS program to complete or enhance EMT certification.
- Recommendation from EMS faculty
- Preference given to G&H Ambulance crew
- Students in good academic standing

Special note on financial management of this scholarship:

This **Endowed** Scholarship will be managed by the Eastern Maine Community College **Foundation**. The Foundation will distribute the recipient's award letter and send notification to the Office of Student Aid and the Business Office. The scholarship award will be posted to the students account.
