

**CDL Training Instructor
Part Time Position**

Title of Position: CDL Training Instructor

Salary Range: \$17.00 - \$20.00/hour; hours to be determined for ongoing classes

Responsibilities: Safely and effectively conduct Behind-the-Wheel skill training necessary to pass State of Maine skills and road test. Instructor must have the ability to instruct in a professional manner with a focus on safety.

Minimum Qualifications: At least two years' experience in the last ten years as a licensed CDL driver in the actual operation of a representative CMV. Knowledge of FMCSA/State regulations. Six years' experience as a licensed driver and hold a valid driver's license. Must be in good physical condition with the ability to stand for lengths of time in all weather conditions. Must be at least 22 years of age and possess a high school diploma or equivalent.

Preferred Knowledge, Skills and Abilities: Prior tractor trailer instruction preferred with references provided. Passed an instructor test administered by the Secretary of State consisting of knowledge, vision, and instructor road test in a representative vehicle. Successful completion of a state approved driving dynamics or defensive driving course within the preceding year. Current completion card for State approved first aid course.

Prerequisites: No convictions or adjudications for moving criminal traffic offenses. Have not had a driver's license suspended or revoked for operating a commercial motor vehicle with a blood-alcohol level of 0.04 or more or refusing to submit to a chemical test within the last six years.

Application Procedure: Email cover letter, resume, transcripts, and contact information for three professional references to resumes@emcc.edu. Applications will be accepted until position has been filled.

Institutional Summary: Eastern Maine Community College offers over 30 one- and two-year program options, as well as short term and specialized training and retraining courses for business, industry, and community. We award associate in applied science, associate in science, and associate in arts degrees; certificates; diplomas; and documents of completion for customized, short-term programs and courses. The 72-acre campus is located in Bangor, just a short distance from Maine's scenic coast and mountains.

EMCC is dedicated to providing all students with a well-balanced education focused on problem solving, decision-making, communications, social understanding, computer applications, mathematics, and science. Our technology programs include concentrated studies in both technical theory and application in the area of specialization, and all of our programs provide liberal arts courses to form the foundation for lifelong learning. Our programs and student support services are designed to develop leadership skills, personal responsibility, teamwork, and appreciation of the complex world around us.

Eastern Maine Community College is an equal opportunity/affirmative action institution and employer
