

**Transfer Articulation Agreement for Baccalaureate Degree
Memorandum of Understanding Between
Husson University and
Eastern Maine Community College**

Statement of Purpose

Husson University and Eastern Maine Community College have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year college to a university. It is recognized that this agreement shall describe the required program of study at Eastern Maine Community College for admission eligibility to Husson University and the Baccalaureate Degree Program indicated.

Terms and Conditions of Academic Credit Transfer

To: Bachelor of Science in Psychology (as referenced in Appendix B)

From: Associate of Applied Science in Human Services (as referenced in Appendix B)

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Eastern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as Husson University students. All applicants accepted to Husson University's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Addendum A & B.

- * Addendum A Contains Admission & Graduation Requirements of the Receiving Institution
- * Addendum B Identifies the Programs incorporated into the Memorandum with attachments that provide side by side course equivalency tables for the academic programs listed.

Articulation Implementation and Agreement Review

The Chief Academic Officer designee of the collaborating institutions shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

Signatures to This Agreement

This agreement becomes effective in December, 2018 will be reviewed annually for renewal discussion.

Transfer Articulation Agreement for Baccalaureate Degree Memorandum of Understanding Between Husson University and Eastern Maine Community College

ADDENDUM A

This addendum includes Husson University's admission requirement, transfer policy, specific program requirements, and contact information of the individuals at the respective institutions.

Admissions requirements

In order to be admitted into a Husson University degree program, the following documentation is required:

- high school transcript(s);
- college transcript(s);
- military transcripts (if applicable);
- appropriate immunizations;
- appropriate application form with the Division of Extended Learning or the Office of Undergraduate Admissions.

Transfer Policy

Transfer of credits earned at the granting institution will be considered according to the schedules in Addendum B. Specific information regarding Husson University's transfer credit policy is as follows:

- Transfer students applying to Husson University under advanced standing, based on the quality of their credentials, must request an official transcript be sent to Husson University Admissions. Each transcript will be evaluated individually based upon grades and existing transfer agreements between Husson University and the transfer institution at the time of application.
- Transfer students and Husson University students will be held to the same standards and criteria for admission.
- A transfer student without an associate degree is granted academic credit for courses in which a "C" or better grade has been attained.
- The transfer student, after becoming a student at Husson, cannot transfer additional credits from any other institution into a Husson degree or certificate program.
- Students who transfer into Husson University must complete their final 30 credit hours at Husson University and a minimum of 15 credits specific to the major.

Requirements for the Bachelor of Science in Psychology

- Completion of 120 credits [or] Completion of credits according to the attachments in Addendum B
- Cumulative grade point average needed to graduate 2.0
- Cumulative grade point average of 2.5 needed in major courses

**Transfer Articulation Agreement for Baccalaureate Degree
Memorandum of Understanding Between
Husson University and
Eastern Maine Community College**

ADDENDUM B

The following programs are incorporated by reference into the Memorandum of Understanding:

- AAS Human Services transfer to BS Psychology

The attachments to this Addendum provide specific information regarding the number of credits that may be transferred in accordance with this agreement. They also provide and understanding as to the courses remaining to complete the specified degree programs. This information is meant as a guide only. Husson University makes ongoing improvements to its curriculum for the benefit of its student and therefore, it reserves the right to change program requirements. Such changes generally do not change the essence of the quality of academic programming and expected outcomes. However, students and advisors must make every effort to assure themselves of the program requirements and any changes that may be in effect upon admission into Husson University.

This addendum may be updated from time to time to reflect programmatic changes at the institutions participating in this Memorandum of Understanding. The date below reflects version of this agreement and whether this addendum constitutes an amendment to the original.
