Institutional Summary: Eastern Maine Community College offers more than 30 traditional and technical programs. The college provides customized, short term, and specialized training courses for a wide variety of businesses, organizations, and the community. We award associates in applied science, associates in science, and associates in arts; certificates; diplomas; and awards of completion for customized, short-term programs, and trainings. The 72-acre campus is located in Bangor, just a short drive from Maine's scenic coast and mountains.

EMCC is dedicated to providing all students with a balanced education focused on problem solving, decision making, communication, social understanding, computer applications, mathematics, and science. Our technology programs include concentrated studies in both technical theory and application in the area of specialization, and all of our programs require liberal arts courses to form the foundation for lifelong learning. Our programs and student support services are designed to develop leadership skills, personal responsibility, teamwork, and appreciation of global complexity.

Eastern Maine Community College is an equal opportunity/affirmative action institution and employer. For more information about this commitment, please call the Affirmative Action Officer at (207) 974-4633
