FAQs

Will I have a roommate? **Yes.**

Both of our residence halls have double and triple rooms.

Can I choose my roommate? **Absolutely!***

If you know someone coming to EMCC, or who is already here, simply indicate your request on your housing application, or email life@emcc.edu. (Please note that both parties must request to room together in order for us to honor it.)

If you do not have a roommate in mind, don't worry! We will make every effort to use the information you provide us with to pair you up with someone who will be a good match.

Our Residence Halls

Both of our residence halls are **chemical-free** and are **locked 24 hours a day for the safety** of our residents. In addition, each building is staffed with a live-in Residential Life professional as well as highly-trained Resident Assistants who live on each floor and supervise, monitor the security of the building, and provide programming and activities.

Both halls have wireless internet, on-site laundry, mail service, vending machines and common rooms with flat-screen TVs, microwaves, game tables and other amenities such as game and surround sound systems.

Kineo Hall

Built in 2007, Kineo Hall houses students in “blocks” (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

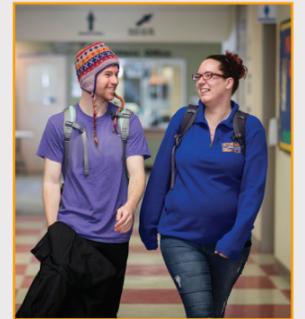

*Kineo Hall = \$2,250/semester**

All rooms in Kineo Hall have two of the following:

- Extra long twin beds (can be lofted higher or lowered, depending on the resident's preference)
- Armoires with hanging space and two drawers
- Desks with wooden chairs

Studies show that students that live on campus have higher GPAs, are more likely to complete their education and, as a whole, get more out of their college experience.

When you reside on-campus, there is always someone around and something to do. You have easy access to Student Services and form strong friendships with other students.

Acadia Hall

Acadia Hall houses students in corridor-style double or triple-occupancy rooms. Floors are usually single-sex communities and have bathrooms on each floor that are cleaned and maintained by housekeeping staff.

*Acadia Hall = \$1,850/semester**

All rooms in Acadia Hall have two of the following:

- Extra long twin beds (can be lofted higher or lowered, depending on the resident's preference)
- Dressers
- Desks with wooden chairs
- Built-in closet with shelf

A limited number of all-in-one microwave/freezer/mini-fridge units are available for lease. These units also include 2 USB ports and can be paid for using financial aid.

**Housing does allow microfridges that meet very specific safety specifications.*

Gender Inclusive Housing (GIH) This community allows students to choose a roommate regardless of sex, gender identity, or gender expression. Students who want to live in the GIH community must fill out their housing application or housing renewal forms accordingly. Those students need to sign up with a roommate or be open to rooming with an individual of any gender.

Single Rooms The only single rooms available on campus are for residents who require accommodations. These requests can be requested through the EMCC website by searching for Accessibility/Disability Services.

Dining Services & Meal Plans

EMCC contracts FLIK Dining Services to provide meal service to the College community. All students residing on campus are required to have a 5-day or 7-day meal plan. Commuters, staff, and guests may purchase snacks and meals using cash.

Meal plans options are as follows:

7 DAY (GOLD PLAN)	5 DAY (SILVER PLAN)
\$2,150/semester	\$1,752/semester
3 meals/day Mon-Fri	3 meals/day Mon-Fri
2 meals/day Sat & Sun	No weekend meals

Additional Charges Campus housing residents will be charged a \$50 security deposit to cover room/building damages. In addition, a \$65 activity fee is charged each semester which allows Residential Staff to provide fun and engaging events and programs throughout the semester.
