The **Business Management**

program offers great foundational knowledge for students looking to get to work or transfer to a four-year institution.

▶ Graduates are qualified for entry-level management employment in banking, retailing, federal and state government, sales, insurance, and marketing.

▶ EMCC has transfer agreements with many schools in Maine that make it easy for you to start your degree with us, and make a smooth transition into a four year institution. By doing this, students save thousands of dollars and still finish with a bachelor's degree at their desired four year college or university. (Husson, UMaine, St. Joseph's, and UMFK)

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year

(most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

LIVE ON CAMPUS

Did you know that EMCC has TWO residence halls on campus?

Built in 2007, Kineo Hall houses students in "blocks" (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

Rooms range from \$1,850 - \$2,250 per semester.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.
