Digital Graphic Design

professionals create visual and multimedia presentations. They market and sell products, including their own talent.

▶ Students entering the job market can be hired as graphic designers, photographers, print media designers, illustrators, and web designers.

▶ Students will use state of the art technologies and software and study type, design principles, page layout, image editing, photography, and web design. Graduates of the DGD program can work in marketing, publicity, and web design.

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year

(most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

LIVE ON CAMPUS

Did you know that EMCC has TWO residence halls on campus?

Built in 2007, Kineo Hall houses students in "blocks" (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

Rooms range from \$1,850 - \$2,250 per semester.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.
