The Emergency Medical Services

program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP).

Graduates with the Associate Degree in Emergency Medical Services will function, following completion of the State and National Testing Requirements, as entry-level paramedics for ambulance and rescue squads.

Graduates with the certificate will function as entry-level Advanced EMT's. The program augments a nationally recognized technical core with general education courses, and is typically taken on a part-time basis over three to four years.

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year

(most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

LIVE ON CAMPUS

Did you know that EMCC has TWO residence halls on campus?

Built in 2007, Kineo Hall houses students in "blocks" (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

Rooms range from \$1,850 - \$2,250 per semester.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.
