Human Services

students demonstrate knowledge of current principles of elementary counseling necessary to engage and interact with clients and their families.

Graduates will be prepared for employment within social service organizations, hospitals, programs for the elderly, and community mental health centers.

Graduates will be qualified to apply for the Mental Health Rehabilitation Technician/Community (MHRT/C) certification offered through the State of Maine.

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year

(most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)
