COMPUTER TECHNOLOGY

The Computer Technology field is ever growing and changing, requiring motivated problem solvers in today's technology driven world.

Eastern Maine Community College

The **Computer Technology** program prepares students for entry-level jobs in multiple areas of the Information Technology (IT) field.

▶ Graduates are prepared for jobs such as desktop support, help desk technician, network installer, network technician, network administrator, security, and technology trainer.

▶ Students will be able to install, configure, troubleshoot, maintain, and upgrade personal computer systems hardware and software. You will also be able to design and build effective websites, effectively design and manage networks and efficiently operate them, and more!

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/ engagement opportunities all for under $4,000/year

(most programs, based on 30 credit hours, in-state rate of $96 per credit hour)

LIVE ON CAMPUS

Did you know that EMCC has TWO residence halls on campus?

Built in 2007, Kineo Hall houses students in "blocks" (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

Rooms range from $1,850 - $2,250 per semester.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.

Visit **www.emcc.edu/housing** to learn more!

Prerequisites

AAS Degree: High school level Algebra I required.

Certificate: High school level Algebra I required. Algebra II desired.

Still in high school? Concurrent enrollment agreements with many high schools and technical education centers are available. Information can be found online at: www.emcc.edu/academics/programs/early-college/

COMPUTER TECHNOLOGY (CODING OPTION)
Associate in Applied Science Degree

Students opting to take the certificate program will be required to complete the credits listed under the First Semester and the Second Semester.

1ST SEMESTER CREDITS

Elective	**CST 101 Intro to College Learning or FYE 100 College Success**** (1)	
CST-103	**Intro to Computer Systems** (3)	
CST-143	**Web Applications & Development**** (3)	
CST-170	**Customer Service Concepts**** (3)	
ENG-101	**College Composition**** (3)	
MAT-116	**College Algebra**** (3)	

2ND SEMESTER CREDITS

CST-154	**Object Oriented Programming I** (3)	
CST-162	**Network & Certification** (4)	
CST-251	**Cloud Computing I** (3)	
Elective	**Any Math/Science**** (100 level or higher) (3)	
SPE-101	**Oral Communication**** (3)	

3RD SEMESTER CREDITS

CST-203	**Network Administration** (3)	
CST-235	**Database Systems** (3)	
CST-253	**Object Oriented Programming II** (3)	
Elective	**Any Humanities or Social Science** (3)	
Elective	**Any General Education Course** (100 level or higher) (3)	

4TH SEMESTER CREDITS

Elective	**CST-221 Network Security or CST-240 Data Mining** (3)	
CST-254	**Cloud Computing II** (3)	
CST-256	**Software Development and Marketing** (3)	
CST-248	**Capstone** (1)	
Elective	**Any Humanities or Social Science** (3)	

▶ **TOTAL AAS DEGREE CREDITS** 60

Denotes courses required to complete the **Certificate in Computer Repair Technology. Total credits: 32
