Note: Eastern Maine Community College requires proof of COVID-19 vaccination upon hire or participation in regular testing in lieu of proof of vaccination.

Institutional Summary: Eastern Maine Community College offers over 30 one- and two-year program options, as well as short term and specialized training and retraining courses for business, industry, and community. We award associate in applied science, associate in science, and associate in arts degrees; certificates; diplomas; and documents of completion for customized, short-term programs and courses. The 72-acre campus is located in Bangor just a short drive from Maine's scenic coast and mountains.

EMCC is dedicated to providing all students with a well-balanced education focused on problem solving, decision-making, communications, social understanding, computer applications, mathematics, and science. Our technology programs include concentrated studies in both technical theory and application in the area of specialization, and all of our programs provide liberal arts courses to form the foundation for lifelong learning. Our programs and student support services are designed to develop leadership skills, personal responsibility, teamwork, and appreciation of the complex world around us.

Eastern Maine Community College is an equal opportunity/affirmative action institution and employer. For more information about this commitment, please call the Affirmative Action Officer at (207) 974-4633
