

## FINE WOODWORKING & CABINET MAKING FACULTY

**Title of Position:** Fine Woodworking & Cabinet Making Instructor

**Bargaining Unit/Salary Range:** MEA Faculty; \$43,399.90 - \$48,846.97 dependent upon qualifications and experience.

**Responsibilities:** EMCC is looking to fill a full-time Fine Woodworking and Cabinetmaking instructor position to begin **August 22, 2022**. The chosen candidate will be a learner-focused, precision minded individual with an ability to develop curriculum that includes employability essentials and technical content to meet current industry practices. This position requires a strong cabinetmaking and woodworking background with milling, assembly, hand tool, power tool, and shop machinery (including CNC) experience. The ideal candidate will have leadership experience and exceptional communication skills and will teach the equivalent of a full-load of courses in basic and intermediate woodworking, advise students and serve on college committees. Additional job responsibilities include maintenance of equipment and advanced material and supply planning.

**Minimum Qualifications** Associate's degree in woodworking, cabinetmaking or construction or 5-7 years of experience in the field.

**Preferred Qualifications:** Bachelor's degree. Ability to support at-risk students. Program and curriculum development skills. Collaborative, creative and passionate about teaching and learning.

**Benefits:** Employer paid health, dental and life insurance for employee, option of Maine State Retirement or TIAA-CREF, and sick time.

**Application Procedure/Deadline:** Email cover letter, CV, transcripts, and contact information for three professional references to [resumes@emcc.edu](mailto:resumes@emcc.edu). Review of application materials will begin May 31, 2022 and continue until the position is filled.

**Note:** Eastern Maine Community College requires proof of COVID-19 vaccination upon hire or participation in regular testing in lieu of proof of vaccination.

**Institutional Summary:** Eastern Maine Community College offers over 30 one- and two-year program options, as well as short term and specialized training and retraining courses for business, industry, and community. We award associate in applied science, associate in science, and associate in arts degrees; certificates; diplomas; and documents of completion for customized, short-term programs and courses. The 72-acre campus is located in Bangor just a short drive from Maine's scenic coast and mountains.

EMCC is dedicated to providing all students with a well-balanced education focused on problem solving, decision-making, communications, social understanding, computer applications, mathematics, and science. Our technology programs include concentrated studies in both technical theory and application in the area of specialization, and all of our programs provide liberal arts courses to form the foundation for lifelong learning. Our programs and student support services are designed to develop leadership skills, personal responsibility, teamwork, and appreciation of the complex world around us.

**Eastern Maine Community College is an equal opportunity/affirmative action institution and employer. For more information about this commitment, please call the Affirmative Action Officer at (207) 974-4633**
