The Student Success Center (SSC), located in and around Room 121 Maine Hall, empowers students to take personal responsibility for their learning by offering a variety of free services that students can access to help them succeed at Eastern Maine Community College. These services include:

- Academic Workshops
- Accessibility Services
- Advising
- Jobs for Maine's Graduates (JMG)
- Peer Mentoring
- Success Planning
- Supplemental Instruction for Mathematics
- TRIO Student Support Services
- Tutoring

Additionally, SSC staff members oversee the First-Year Experience courses offered at EMCC. The Center is staffed Monday through Friday from 8:00 a.m. to 4:30 p.m.

ACADEMIC WORKSHOPS: The SSC offers personal development and academic success workshops throughout the semester to help students become successful active learners. These free workshops, facilitated by professional staff members, will cover a variety of topic areas, including self-management, financial literacy, and note and test taking strategies, to name a few. For more information and a workshop schedule, email success@emcc.edu.

ACCESSIBILITY SERVICES: The Student Success Center (SSC) provides academic accommodations for students with documented disabilities in accordance with Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADAAA). In order to request accommodations, students must contact the Coordinator of Accessibility Services and fill out an Intake form as well as submit supporting documentation of their disability. For more information about documentation guidelines and what accommodations may be available, please email access@emcc.edu.

JOBS FOR MAINE'S GRADUATES (JMG): EMCC, MELMAC, and JMG work in partnership to help students involved in JMG high school programs to learn about college pathways and then transition successfully to EMCC. The JMG specialist advises students, provides support to achieve success, coordinates activities of the JMG Club, and works with the Student Success Team to plan events and presentations that benefit the college community. Students benefit from this continuum of support while they attain credentials and achieve their career goals.

The JMG office is located in Room 128 of Maine Hall. For more information, contact the JMG specialists Bridget Edwards at bedwards@emcc.edu or Amy Dow at adow@emcc.edu or by calling 974-4825.

PEER MENTORING: The Student Success Peer Mentoring program is a new peer support initiative that provides incoming EMCC students with the opportunity to connect with current students who have successfully navigated their college experience. The SS Peer Mentors staff the Student Success Center during the academic year, assisting their peers with a wide range of topics including connecting with academic support resources such as tutoring Accessibility services, helping with course selection and connecting students to Advising, as well as facilitating regular social and academic programming and workshops to help foster relationships and build a sense of community. Students can connect with an SS Peer Mentor by coming to the Student Success Center in Maine Hall where the mentors are available to provide walk-in support Monday through Thursday during the academic year, as well as through referral by instructors and staff. SS Peer Mentors receive extensive training in student leadership and peer support, and receive regular supervision by members of the Student Success Team.

SUPPLEMENTAL INSTRUCTION FOR MATHEMATICS (SI): The SSC offers weekly study sessions for students enrolled in select mathematics courses. These sessions are guided by professional staff or trained peer leaders who have either already successfully completed the course or who have demonstrated mastery of the subject area. IMMUNIZATION INFORMATION

Maine law requires all degree and full-time non-degree college students born after December 31, 1956, to provide proof of immunization or immunity to the following diseases:

* Tetanus/diphtheria vaccine within the last ten years. Students must be re-immunized if the tetanus is out-of-date.

VENDING MACHINES

All campus buildings, with the exception of Katahdin Hall and the Public Safety Building, have snack and drink vending machines. Concerns or problems with the vending machines should be addressed to the Eastern Maine Community College Business Office, located in Maine Hall.

ACTIVITIES, CLUBS AND ORGANIZATIONS

All clubs are sanctioned by the Director of Student Engagement and Residential Life. Students interested in organizing a group or club should contact the Student Life Office for a packet outlining the process to do so.

Clubs and student organizations must select a faculty/staff advisor and report the advisor's name to the Student Life Office. The advisor will be a faculty or staff member at the College unless another person is approved by the Vice President of Academic and Student Affairs or designee. The organization must create membership policies, mission, and organizational set-up to be approved by the EMCC Student Senate.

All clubs and organizations are responsible for budgeting, managing their fiscal activities and for adhering to College fiscal policies including the purchasing policy. All club and organization funds are deposited to a separate student activities account by bringing deposits to the Business Office. All check requests with purchasing forms and related purchasing documents such as invoices should be brought to the Business Office for review, approval and processing. Requests for checks should be submitted to the Business Office for processing at least one week in advance of the date needed. It is appropriate to request money from the Student Senate for club activities.

STUDENT SENATE

EMCC's student Senate meets regularly to develop policies and procedures to advance other student clubs and organizations, plan and host campus-wide programs, provide guidance and recommendations for expenditures of student activities funds, and serve as a student advocacy voice to the College administration. Membership and participation in the Senate is open to all matriculated students. Officers of the Senate are elected by the Senate membership each spring.

All users must present a valid photo ID – no exceptions.

STUDENT ACTIVITY POLICY

Eastern Maine Community College recognizes the importance of student activities as an integral part of the educational process, and supports the development of activities for all students with assistance from professional staff, equipment, facilities, and funding where appropriate. Eastern Maine Community College students have opportunities to expand leadership skills, practice civic-mindedness, develop lifelong physical fitness habits, be exposed to new social and cultural settings, experience athletic competition, and apply academic theory to real world situations.

While every attempt is made to schedule activities when classes are not in session, inevitably conflicts will arise. It is the intention of the college that students be permitted to participate in school-sponsored activities without any explicit academic penalty. However, the college also recognizes that without careful guidance, missing lectures or laboratory time could adversely affect learning, and could result in a declined academic standing.

Students who travel representing Eastern Maine Community College, with or without an advisor, must complete all necessary paperwork with the advisor.

HEALTH AND SAFETY

CAMPUS CRIME REPORTING

In compliance with the Student Right to Know and Campus Security Act, which was signed into law in November 1990, Eastern Maine Community College is required to make available to all prospective students and employees' information regarding crime statistics on the College campus and all off-campus locations. This information is available in the Safety and Security Office and on the EMCC website at www.emcc.edu.

To report a crime, contact the on-duty security officer at 207-745-6090. In the event of an emergency, dial 911 from a campus phone or 911 from your own phone. State the nature of your emergency, your location, building, and your name. Then notify Security at 207-745-6090.

CAMPUS SECURITY

Campus Security is available 24 hours per day, 7 days per week. Should you require assistance or need to report an incident or suspicious event, contact 745-6090. If the situation is an emergency, call 911 then notify Security at 207-745-6090.

CANCELLATION OF COLLEGE ACTIVITIES AND EMERGENCIES

The College will be open unless conditions on campus present an unsafe or adverse environment for students and employees. The decision to cancel classes and activities and close the campus lies with the leadership of the institution. The decision applies to the college campus and all Center locations.

The college leadership will determine if college campus conditions warrant the delay or cancellation of normal activities and operations whether it is day, evening or weekend. Each Center is responsible for implementing the decision and for ensuring the local radio and television stations have been notified. The Center is also responsible for placing the proper notification on telephone answering systems and websites in the event of inclement weather. Classes held in local high schools or other educational centers will be cancelled if the high school/center is closed due to inclement weather or other emergency.

- OFF-CAMPUS CLINICALS: Clinicals at surrounding medical facilities will be cancelled if the College closes unless the faculty have made other provisions.
- BUSINESS SERVICES CAMPUS-BASED TRAINING: Cancelling customized training will be determined on a case-by-case basis by the Director of Workforce Development in consultation with the Director of Finance and the President.
- EXTRACURRICULAR ACTIVITIES AND TRAVEL: If the College is closed, all activities and travel are cancelled.

STUDENT NOTIFICATIONS: All students are notified of the delay or cancellation of normal activities and operations by the Emergency Alert System (RAVE). All notifications are posted on the website at www.emcc.edu, announced on all radio stations, posted to all television cancellation systems, and posted to the EMCC storm line phone 207-974-4899.

FOOD SERVICES: Food Services will use brunch/buffet style offerings during closures. In unusual circumstances, resident hall deliveries will be provided with approval of Vice President of Academic and Student Affairs or Director of Student Engagement and Residential Life.

TIMING OF DECISIONS: Decisions to close the College and/or College Centers for the day will be made prior to 5:30 a.m. Cancellations after classes have started will be as follows: afternoon class cancellation prior to 10:00 a.m. and evening by 3:00 p.m. If classes are cancelled for the day, they will also be cancelled for the evening. Some emergencies are not predictable and each will be handled on a case-by-case basis.

DELAYED OPENINGS: Depending on conditions, the College may choose to delay the beginning of classes. Delayed openings will be consistently applied and include the following times: 10 a.m., 12 noon, 2 p.m., 4 p.m. and 6 p.m. Delayed openings will be handled as if the College is in full operation for the entire day. For example, if a delayed opening is at 10:00 a.m., students and employees are to report to the activity normally scheduled at 10:00 a.m. Regardless of the beginning or end time of the class, if it is normally in session at 10:00, students and faculty will report to that class.

CHEM-FREE CAMPUS

Employees, students and guests are not permitted to possess, use, distribute, manufacture and/or consume alcoholic beverages or illegal drugs anywhere on the Eastern Maine Community College campus or at any college-sponsored activity regardless of their age. At the President's direction, alcohol may be provided at special campus events, fundraisers, and celebrations, both on and off campus. Intoxication on campus will not be tolerated. Any person who is suspected to be "under the influence" may have disciplinary action taken against them. In addition, intoxication on- or off-campus, resulting in police or security officer intervention, will lead to disciplinary sanctions by the college. Smoking, which includes electronic devices of any kind, vaping, and "dipping," are prohibited on EMCC property and in any EMCC building, including residence halls. Additional information regarding alcohol and drug policies/procedures can be provided by the Resident Directors, Director of Student Engagement and Residence Life, and the Vice President for Student Affairs, as well as in the MCCS (Maine Community College System) Code of Conduct.

CARE TEAM

The mission of the CARE Team at Eastern Maine Community College is to take a proactive and collaborative approach to identify students who are struggling or exhibiting concerning behaviors and

provide early intervention support, resources, and referrals. The CARE Team's primary focus is to promote and protect the safety, wellbeing, and success of every student and college employee. The Team will achieve the greatest success when all members of the campus community share in this responsibility.

No matter what your role is within the campus community, the CARE Team wants to hear your concerns about issues that impact the safety and wellbeing of our students. Your communication with us is vital to our ability to protect and provide assistance to students. Situations to report might range from noticing that a friend is struggling with mental health issues to disruptive behaviors in the classroom to hearing about a student threatening another party. If you witness or learn of something that is out of the ordinary or leaves you concerned, please complete a referral.

All of your referrals will be initially viewed by the Co-Chairs of the CARE Team, the Vice President for Student Affairs and the college counselor. After the initial review, it will be decided which member of the CARE Team will discreetly gather further information and follow-up if indicated. All CARE Team members are mindful of students' privacy and take confidentiality very seriously.

You can make a referral by completing and submitting the online CARE Team Referral Form. Direct links to the form can be found on the EMCC website, under the Campus Safety Department heading, and under Quick Links on MyEMCC and Sharepoint. If you have questions about making a referral, please contact the VP of Student Affairs (207-974-4673) or the campus counselor (207-974-4858).

EMERGENCY SITUATIONS

In an emergency, dial 911 from a campus phone or 911 from your own phone. State the nature of your emergency, your location, building, and your name. Answer all of the questions and let the operator hang up first. Then notify Security at 207-745-6090.

The use or possession of firecrackers, fireworks, gun powder, BB guns, fusion caps, primers, chemicals, or any other type of explosive in the residence halls or other campus buildings and areas of the campus is prohibited. Knives larger than pocketknives are not permitted on campus.

FIRE ALARMS

At the sound of the fire bell — a loud, uninterrupted buzzer — everyone should walk to the nearest exit in a rapid, orderly fashion. Use the exit marked by the wall evacuation map posted in each room.

SAFETY AND ACCIDENTS

Safety awareness must be both an attitude and a practice for everyone associated with Eastern Maine Community College. Faculty and staff will insist upon and enforce strict safety precautions and procedures. Students must understand the reason for employing proper safety procedures in general and the specific procedures appropriate to each technology in particular. As a student, it is important that you learn and practice the safety procedures taught by faculty and staff.

Students or visitors who are injured on campus must immediately report the incident to the campus official for which they are involved. The campus official will then assist with filling out the Illness/Injury Report. The campus official will turn in the required paperwork within 24 hours to the Director of Public Safety. In the event medical attention is needed, call 911 and then call the Security Officer at 207-745-6090.

VEHICLES

Permission to operate a vehicle on campus is a privilege granted to students, employees and visitors at the College. Students must register all vehicles that they drive and park on campus at any of the college locations. All vehicles must display a valid parking permit, registration tags and inspection sticker. Students must comply with all state motor vehicle regulations. All vehicles must be operated in a safe and prudent manner. The following are requirements for Vehicle and Traffic Safety.

- Drivers must adhere to the 15-mile per hour speed limit.
- Drivers will refrain from making excessive noise with vehicles.
- Drivers will always operate a motor vehicle in a safe manner.
- Drivers will adhere to the driving regulations of the State of Maine.
- Students who observe a vehicle operating in an unsafe manner, should report it to the on-duty security officer. The security officer will follow up with the alleged offender. Depending on the severity of the allegation, the reports will lead to implementation of the Discipline Code. Sanctions will be imposed according to the Student Code of Conduct. The Discipline Officer may impose the following sanctions:
 - Suspend parking and driving privileges on campus.
 - Impose a fine or community service hours.
 - Recommend dismissal from the College.
 - Recommend other disciplinary action as the Student Code of Conduct allows.

SNOW REMOVAL

On the day of and the day after a snowstorm, vehicles on campus must be parked in a plowed parking area from 8:00 a.m. to 12:00 noon and from 4:00 pm to 8:00 p.m. However, the maintenance staff and/or the plowing crew may request that vehicles be moved for additional hours. Those who do not cooperate risk having their vehicles towed away at their own expense.

REGISTRATION AND DISPLAY OF DECALS

All students - commuter and resident - will still be required to 'Register' their vehicle through MyEMCC. The link on the MyEMCC portal appears under the "Quick Links" section. Vehicles not displaying decals by the end of the third week of classes will be ticketed. If students bring vehicles on campus, which do not have decals, they may use the decal issued to them for their previously registered vehicle.

ENFORCEMENT AUTHORITIES

The Security Officer on duty will enforce parking regulations at the direction of the Director of College Operations who oversees all campus parking and parking regulations. The Safety and Security Office is located in Maine Hall.

INOPERATIVE VEHICLES

Unregistered or inoperative vehicles are not allowed on EMCC property. Individuals will be allowed 48 hours to remove, repair or register the vehicle or it will be towed off campus at the owner's expense.

RECREATIONAL VEHICLES

Off-road motorcycles, snowmobiles, ATVs and the like are not allowed on any College property unless approved by the Director of College Operations.

TOWING

When it is necessary to call a tow truck for a student's vehicle, students will incur the expense at the time of the call. Students will be held responsible for the charges even if the vehicle is moved before the tow truck arrives.

The College reserves the right to remove, or have removed, any vehicle that is parked in such manner as to constitute a hazard, which impedes vehicular or pedestrian traffic movement, abandoned, and/or the making of essential College property repairs. Owners or registrants will be required to pay all costs involved in the removal and storage of their vehicles.

VIOLATION PENALTIES

No overnight parking is permitted in any parking area with the exception of resident students in Lot A, near Kineo Hall.

Vehicles parked in unauthorized areas will be ticketed or towed at the owner's expense, without warning.

Unauthorized areas include: parking in a fire lane, parking on the roadway, hindering snow removal, not displaying current Eastern Maine Community College decals, occupying more than one parking space, parking in handicap spaces without proper identification, parking on the grass and parking in visitor parking.

Violators will be charged \$25.00 for each parking offense and an additional \$100.00 for parking in a handicap space and will have seven (7) days to make payment at the Eastern Maine Community College Business Office in Maine Hall. Grades and transcripts will be withheld, and course registration may be affected, if students fail to pay fines.

Failure by students to comply with school or state motor vehicle regulations may result in revocation of permit and/or other disciplinary action. Having or operating a vehicle on campus after suspension of privileges will result in further disciplinary action, including possible dismissal from the College.

You may appeal a parking ticket within seven business days of the ticket being issued. Appeals are available at the Safety and Security Office. The Director of College Operations will review the appeal, and render a decision. After the seven business days, appeals will not be accepted.

STUDENT POLICIES AND GUIDELINES

POLICIES AND PROCEDURES PROHIBITING AND RESPONDING TO COMPLAINTS OF SEXUAL HARASSMENT, SEXUAL ASSAULT AND OTHER SEX-BASED CONDUCT, RELATIONSHIP VIOLENCE, AND STALKING

Sexual harassment, a form of sex discrimination, is a violation of state and federal law and a violation of [MCCS policy 202](#) when engaged in by employees or students. As described herein, the federal definition of “sexual harassment” under Title IX of the Education Amendments of 1972 is substantially broader than the state definition and includes sexual assault, dating and domestic violence and stalking. This policy is also violated when students or employees engage in conduct defined by state law as sexual violence, intimate partner violence and stalking.

MCCS PROCEDURE 202.2: The purpose of this Procedure is to define and to describe the reporting, investigation and adjudication procedures that govern MCCS’ handling of allegations of sexual harassment as defined by Title IX of the Education Amendments of 1972, and allegations of sexual violence, intimate partner violence and stalking as defined by state law, and to provide guidance on the application of those procedures. This Procedure applies uniformly to conduct constituting sexual harassment, including sexual assault, dating violence, domestic violence and stalking as defined by Title IX, and sexual violence, intimate partner violence and stalking as defined by Maine law. These categories of conduct are collectively referred to herein as “prohibited conduct.”

As set forth in MCCS Policy 202, under Title IX, discrimination in the form of sexual harassment is conduct, on the basis of sex, that effectively denies a person equal access to an MCCS educational program or activity. That conduct might be (a) quid pro quo; (b) unwelcome conduct that a reasonable person would deem severe, pervasive, and objectively offensive; or (c) sexual assault, dating violence, domestic violence, or stalking. Under applicable Maine law, acts of dating and domestic violence are collectively defined as “intimate partner violence,” and sexual offenses, including sexual harassment, are collectively defined as “sexual violence.” Stalking also has differing definitions under Title IX and state law. This Procedure governs all conduct within its scope and its contents are mandated by federal and state laws. It is not a substitution for the criminal justice process.

MAINE COMMUNITY COLLEGE SYSTEM - STUDENT CODE OF CONDUCT

The College requires students to conduct their affairs with proper regard and mutual respect for the College and the members of its community. In seeking to encourage responsible conduct, the College will rely upon counseling and admonition. When necessary, the College will use this Code in a prompt, fair and impartial manner to: 1) ensure the orderly administration of the College's academic, athletic and social offerings; 2) secure the opportunity of all students to pursue peacefully their educational objectives; 3) protect the health, safety and welfare of the College and the members of its community; and 4) maintain and protect the real and personal property of the College and the members of its community. This Code applies in addition to other College and System policies and regulations, local ordinances, and state and federal laws. Students whose conduct violates those authorities may also be subject to their sanctions and penalties. Finally, the Residence Hall Agreement between a student and the College imposes similar but additional responsibilities and obligations, and students whose conduct violates both that Agreement and this Code may be disciplined by the College under either or both.

DRUG AND ALCOHOL GUIDELINES

DRUGS AND ALCOHOLIC BEVERAGES

Eastern Maine Community College is invested in the health, safety, and academic success of its students.

Those students who repeatedly abuse or are dependent on chemicals are likely to exhibit learning difficulties directly connected to their use of drugs or alcohol. Not only is motivation for learning altered, but there can be significant impairment in the ability to process information presented in class, and to recall important information later as needed.

Absenteeism, tardiness, diminished quality of assignments, trouble with peers in the classroom, hostility towards staff persons, inappropriate appearance, or other behaviors may demand attention and hinder student progress. Some students, if not helped, are at risk for academic failure due to their inability to perform academically, inappropriate behavior in the residence halls and at college functions, or involvement with law enforcement agencies.

All students should be familiar with and are subject to the Maine State laws, the Eastern Maine Community College policies, and the Eastern Maine Community College Student Code of Conduct pertaining to the possession and consumption of alcoholic beverages and other drugs. Violations of the laws, codes, or policies may result in referral to the alcohol and drug awareness program; termination of residence hall contracts; disciplinary action, including possible dismissal from the College; restriction from participating in students' school programs; and/or legal action.

Although Eastern Maine Community College neither condemns nor condones drinking alcoholic beverages by legally-sanctioned adults, it is concerned that those choosing to drink do so within the confines of Maine State Law and college regulations, and with the understanding of potential consequences. The College also affirms the right of individuals to choose not to drink alcoholic beverages, and the right to be socially supported by the college community for making that choice. Individuals using illegal drugs (including alcohol for those under age 21), or abusing legal drugs, will not be exonerated from the legal

consequences of their action. Individuals are expected to assume responsibility for their behavior while drinking or using any drug and must understand that being intoxicated or impaired in no way lessens their accountability.

ALCOHOL, TOBACCO, AND DRUGS POLICY MCCS 804 and 806 EMCC 804

On January 4, 2014, Eastern Maine Community College prohibited tobacco use and smoking on all college-owned grounds becoming a chemical free campus in alignment with Maine Community College policies #804 and #806, Drugs and Alcohol policy and Smoking and Other Use of Tobacco policy, respectively. Eastern Maine Community College accepts federal funding and prohibits the use, sale, distribution of federally regulated drugs and substances. **The possession, use, sale, manufacturing, or distribution of tobacco, alcohol, or illicit drugs, including medical and recreational marijuana, is strictly prohibited in or on College property, including buildings, parking lots, grounds, and vehicles on those grounds, unless specifically authorized by the College.** Illicit implies the illegal use of drugs that have been classified as illegal because they pose a threat to one's health and in some cases, their life. This also includes prescription drugs that are not used according to doctor's instruction or by the person for whom it was prescribed. Students who fail to comply may be fined or referred for disciplinary action under the Student Code of Conduct. Employees who fail to comply may be subject to disciplinary action as outlined in the Collective Bargaining Agreements (CBA). Others who fail to comply may be removed from College property. Annually, the college informs employees and students about the dangers of drugs and alcohol; the availability of resources such as counseling, rehabilitation, and employee assistance programs; and penalties that may be imposed for abuse violations by way of paper documents and posters, the catalog and student handbook, electronic methods and social media platforms. The offices responsible for the distribution are the Human Resources and Student Life offices.

Additional Eastern Maine Community College Rules Governing the Use and Possession of Alcoholic Beverages and Controlled Substances

1. Students and their guests are not permitted to possess and/or consume alcoholic beverages, regardless of age, anywhere on the Eastern Maine Community College campus, or at any college-sponsored activity off-campus such as sporting events and student conventions. This applies to any and all functions open to the public such as entertainment, dances, athletic events, and any out-of-doors activities on any part of the campus. This policy also applies to the residence halls where compliance with the section of the Alcohol and Drug Policy is the joint responsibility of the room occupant(s) and any visitor(s). The College President may decide to lift this restriction for special events.
2. Intoxication on campus will not be tolerated. Any person who is suspected to be "under the influence" (as described in part three) may have disciplinary action taken against him/her.
3. Due to the statistics concerning drinking and driving and the strict drunk driving laws in the State of Maine, Eastern Maine Community College is committed to preventing intoxicated persons from driving. Eastern Maine Community College students, staff, and faculty members are encouraged to do everything possible to prevent an intoxicated person from driving.
4. Commuters and other guests who visit the residence halls are expected to be familiar with and follow all rules and regulations in place.
5. Students who appear unable to safely use dangerous equipment in their respective technology labs or shops will be asked by faculty to leave the area and may be required, at the request of the faculty, to meet with a professional counselor for further assessment before being allowed to return to the shop or lab.

6. Those students who are having problems as a result of their use of alcohol and other drugs are offered referral services through the Office of Academic and Student Affairs. Services may include educational programs, individual or group counseling, or referral for formal treatment (if needed). The goal is to help students resolve the use of alcohol and other drugs that interfere with academic and personal progress at Eastern Maine Community College. However, participation in such programs does not free students from any sanctions that would normally be imposed. In addition, students who continue to violate the Eastern Maine Community College Alcohol and Drug Policy, despite participation in these services, face serious sanctions including dismissal from the residence halls and dismissal from the College.
7. Parents of resident students under the age of 21 will be notified of any violations of the alcohol and drug policy in writing by Residential Life staff.
8. Intoxication, on or off campus, resulting in police or security officer intervention, will lead to disciplinary sanctions by Eastern Maine Community College.
9. Consumption, usage, storage and/or sale of alcohol in one's room in the residence halls or on campus is a violation of the housing contract and may cancel one's housing contract.
10. Consumption, usage, storage and/or sale of illegal drugs in one's room in the residence halls or on campus is a violation of the housing contract and will cancel one's housing contract.
11. Intoxication will not be accepted as a defense or as an excuse for disorderly conduct and/or damage to property on campus.
12. Resident Directors, Resident Assistants, and members of the Eastern Maine Community College administration or designee have the right to inspect bags or packages on campus that they suspect may contain drugs and/or alcohol.
13. Residents are not allowed to store or display containers (full or empty) of alcohol in their rooms in the residence halls, nor display other alcohol/drug paraphernalia in the windows or on the doors of their rooms.
14. No possession or consumption of controlled substances is permitted on campus in accordance with state laws.

PART 3 — Explanation of Disciplinary Action Taken as a Result of Violations of the Alcohol and Drug Policy

These include, but are not limited to, an odor of alcohol or marijuana; slurred speech; glassy or bloodshot eyes; a staggering or unsteady gait; a loss of fine motor skills; loud or disruptive behavior, including complaints from faculty, staff, the public, or other students; and/or swearing or disorderly conduct.

2. required to attend activities sponsored by the Student Life Department
3. required to write a detailed Success Plan outlining personal and professional goals and the measures needed to achieve them
4. required to do community service

GUESTS

Students are responsible for their guest's behavior; therefore, if students allow their guests to bring alcohol on campus, they will be subject to the same disciplinary action as if they violated the Alcohol and Drug Policy themselves. Non-resident guests who are in possession of alcohol or other drugs on campus property will receive a written and/or verbal warning and will be prohibited from campus property for a minimum of one year. If they return to the campus during that year, they will be charged with criminal trespassing.

Eastern Maine Community College recognizes the importance of an educational component to the Alcohol and Drug Policy. Therefore, minor violations will be handled according to those disciplinary actions outlined above, providing the opportunity for guidance, assistance and additional education for students. The College does reserve the right to immediately cancel housing contracts, as well as implement further sanctions for major violations of this policy.

HOW TO SEEK HELP FOR A COLLEAGUE OR STUDENT ABUSING ALCOHOL OR OTHER CHEMICALS AT EASTERN MAINE COMMUNITY COLLEGE

Eastern Maine Community College endorses a drug-free environment for its students, staff, and faculty while recognizing that there are members of our community struggling with alcohol and drug abuse. Acknowledging that means providing channels through which persons in our community abusing drugs (including alcohol) at work, in class, in College housing, or during Eastern Maine Community College social events, may be directed toward receiving assistance in dealing with their problem. Therefore, it is recommended that members of the campus community being negatively affected by another's abuse of drugs or alcohol, (i.e., in class, in the office, in a residence hall room, or on the shop floor) choose one of the options listed below to address this issue:

- Speak directly to the person about your concern regarding his/her chemical abuse with encouragement for this person to seek help. For specific information about an effective approach, the Residential Life Office has resources available. Informational brochures are available in the Enrollment Center.
- Speak to that person's supervisor, administrator, teacher, or other persons with the authority to take action.
