# Student Accident Insurance Claim Filing Instructions

- 1. **BMI Benefits Accident/Injury Claim Form:** Please complete the accident claim form in its entirety and sign. If there is no primary insurance, please state "NO INSURANCE" on the accident claim form and complete the 'Statement of No Other Insurance' document and return it to BMI with the accident claim form.
- 2. Please contact all medical providers where treatment was received and instruct them that you have secondary insurance. If you give the medical provider the BMI Benefits billing information, they should bill BMI directly after they bill your primary health insurance. You may also obtain and attach copies of your primary carrier's Explanation of Benefits (EOB) and all itemized medical bills, known as HCFA 1500s (physician billing form) and UB-04s (hospital billing form). The itemized medical bills should show the ICD-10 and CPT codes for the services provided, as well as other necessary information for insurance processing. Balance due statements are NOT itemized bills and cannot be processed and paid by BMI Benefits. The insurance policy is an excess insurance, which means benefits are provided after any other valid and collectible insurance has processed the medical claims.
- 3. In regards to claims for a dental injury, the policy will cover accidental injury to sound, natural teeth. The claim must be submitted to both the dental insurance and the medical insurance if available. In regards to reimbursement for prescription expenses, we will need a copy of the itemized prescription bill. Cash register receipts only will not suffice.
- 4. If you have already paid the medical service provider and wish to be reimbursed directly, please attach a paid receipt or statement that verifies the payment along with the itemized bills and primary EOBs. Claims paid via a HSA or FSA are reimbursable, however claims paid via a HRA are not reimbursable.
- 5. Submit the completed claim form, itemized bills and primary insurance Explanation of Benefits to BMI Benefits, LLC. Claims can be submitted via mail, fax, or e-mail. You may contact BMI Benefits to discuss your claim. Please be aware that settlement of your claim may take several weeks to process.

Frequently Asked Questions (FAQs) Document

www.bobmccloskey.com

### Q. What is "excess insurance" and why does the school have a policy?

The school purchases a policy with BMI Benefits to help cover accident-related medical expenses. The concept of it is to prevent students from incurring excessive expenses due to related accidents and injuries. An "excess" policy covers expenses that the student would otherwise be responsible for in the absence of this policy i.e., co-pays, deductibles, and other amounts denied by primary insurance and shown as the patient responsibility on the primary Explanation of Benefits (EOB).

Q. What expenses does the Excess Student Accident Insurance policy cover?

The policy is designed to cover most expenses beyond your primary insurance coverage for student related accidents and injuries, up to charges of 100% Usual & Customary. This includes amounts shown as the patient responsibility on the primary insurance EOB: co-pays, co-insurance, etc.

- Q. What documents are needed in order for BMI Benefits to process a claim?
  - 1) Itemized bill This is called a HCFA 1500 (physicians billing) or UB04/UB92 (hospital/facility billing), and it contains the following information:
    - o Provider's Name
    - o Provider's Address
    - o Tax ID Number
    - o Date(s) of Service
    - o Type of Service(s) Rendered
    - o The Fee for Each Procedure
  - 2) **Primary Explanation of Benefits** (EOB) This is a statement from your primary insurance company that outlines what charges will be covered and what the patient might owe. If a primary insurance company denies charges for one reason or another, a DENIAL will be sent instead of an EOB.
  - 3) Completed and Signed BMI Accident Claim Form
- Q. What can cause a delay in processing and paying a claim?

BMI Benefits cannot process a claim that is missing one or more of the following documents: the BMI accident claim form, the Itemized Bill or the Primary EOB / denial. We cannot accept balance due, balance forward, or past due statements for claims processing.

- Q. I just got what looks like a medical bill statement in the mail. What should I do? If the bill is related to a student injury, please <u>call the billing department phone number on the statement.</u> The reason you are most likely receiving the bill is because the provider does not have BMI Benefits' secondary insurance info on the account. Inform the billing department that there is secondary insurance, and they have to send BMI Benefits a copy of the claim and primary EOB.
- Q. What if I already paid the bills, I got from an covered accident/injury after my primary insurance paid? Can I get reimbursed?

Yes, you can get reimbursed for costs you have already paid. To do this you need to submit a receipt or some other proof of payment along with the EOBs and HCFAs/UBs. Keep in mind it usually takes longer for these to be reimbursed. For this reason, we try to have providers "bill" you for fees that are usually paid at the time of office visit. In other words, try to avoid paying any fees to providers up front, so they can be paid by the Excess Student Accident Policy instead.

The above information is a summary of coverage/benefits and may vary by policy/school. This summary is not a guarantee of coverage or benefits. Please refer to the master policy on file with the school to confirm specific coverage terms or contact BMI Benefits directly.

America's leading advocate for oral health

The following information highlights certain form completion instructions. Comprehensive ADA Dental Claim Form completion instructions are printed in the CDT manual. Any updates to these instructions will be posted on the ADA's web site (ADA.org).

### **GENERAL INSTRUCTIONS**

- A. The form is designed so that the name and address (Item 3) of the third-party payer receiving the claim (insurance company/dental benefit plan) is visible in a standard #9 window envelope (window to the left). Please fold the form using the 'tick-marks' printed in the margin.
- B. Complete all items unless noted otherwise on the form or in the CDT manual's instructions.
- C. Enter the full name of an individual or a full business name, address and zip code when a name and address field is required.
- D. All dates must include the four-digit year.
- E. If the number of procedures reported exceeds the number of lines available on one claim form, list the remaining procedures on a separate, fully completed claim form.

### **COORDINATION OF BENEFITS (COB)**

When a claim is being submitted to the secondary payer, complete the entire form and attach the primary payer's Explanation of Benefits (EOB) showing the amount paid by the primary payer. You may also note the primary carrier paid amount in the "Remarks" field (Item 35). There are additional detailed completion instructions in the CDT manual.

### **DIAGNOSIS CODING**

The form supports reporting up to four diagnosis codes per dental procedure. This information is required when the diagnosis may affect claim adjudication when specific dental procedures may minimize the risks associated with the connection between the patient's oral and systemic health conditions. Diagnosis codes are linked to procedures using the following fields:

Item 29a - Diagnosis Code Pointer ("A" through "D" as applicable from Item 34a)

Item 34 – Diagnosis Code List Qualifier (B for ICD-9-CM; AB for ICD-10-CM)

Item 34a - Diagnosis Code(s) / A, B, C, D (up to four with the primary adjacent to the letter "A")
