

SECONDARY EDUCATION

Secondary Education (7-12 option) is designed for future educators who wish to teach at the secondary level in a specific content area.

emcc.edu/secondary

The **Secondary Education** curriculum is flexible, allowing students to select one of four academic concentrations.

- Students are able to select between concentrations in English, mathematics, science, or social studies. The curriculum is designed for future educators to gain an understanding of how students learn in American schools.
- This degree is intended to increase access to academic advising within the Education program and ease transfer to other post-secondary institutions or prepare for related careers.

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year.

(Most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

CAMPUS TOURS AVAILABLE

Call 207.974.4780 or scan this QR code to schedule an appointment!

We have TWO residence halls on campus!

Kineo Hall houses students in “blocks” (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

A meal plan is mandatory for anyone living in residential housing on campus.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.
