

RESTAURANT & FOOD SERVICE MANAGEMENT

The Restaurant and Food Service Management program is designed for students who want to get their basic kitchen training and focus more on the business side of things to manage their own foodservice operation.

emcc.edu/foodservice

Students in the **Food Service Management** program are poised to join Maine's ever-growing hospitality and tourism industries as management professionals.

- Students with an associate in applied science degree in Culinary Arts, or significant transfer credit, often pursue this degree as well in order to make themselves more marketable.
- The program's comprehensive curriculum provides students not only with fundamental knowledge and skill in the preparation of American and classical French cuisine, but also significant instruction in management, accounting, and sales. Previous graduates have gone on to work in mid-level managerial and supervisory positions in diverse food service establishments.

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year.

(Most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

We have TWO residence halls on campus!

Kineo Hall houses students in “blocks” (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

A meal plan is mandatory for anyone living in residential housing on campus.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.

Visit www.emcc.edu/housing to learn more.
Apply early, space is limited!

Still in high school? Concurrent enrollment agreements with many high schools and technical education centers are available. Information can be found online at:
