

NURSING

Upon completion of the program, graduates will obtain an associate in science degree and are eligible to take the NCLEX Registered Nurse (RN) licensure examination.
emcc.edu/nursing

EMCC's Nursing program has been ranked #1 in Maine for several years in a row due to the high NCLEX pass rate and job placement.

- Clinical rotations may involve evening, daytime, and weekends based on availability of clinical sites and instructors.
- EMCC has developed articulation agreements with several colleges/universities to provide seamless transfer opportunities for students moving on to earn a bachelor's degree.
- Distance sites: •Dover-Foxcroft •Ellsworth
•Pittsfield •Belfast •Millinocket

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year.

(Most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

► **TOTAL AS DEGREE CREDITS** 70

All courses and credits listed above are required for graduation. Prerequisite credits (required and desired) for admission to the Nursing program are applied toward curriculum requirements.

Individuals who feel they have transferrable credit for any of the college-level prerequisites listed above should confirm course transferability with the Director of Admissions prior to submitting an application for admission to the Nursing program.

We have TWO residence halls on campus!

Kineo Hall houses students in “blocks” (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

A meal plan is mandatory for anyone living in residential housing on campus.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.

Visit www.emcc.edu/housing to learn more.
Apply early, space is limited!

Still in high school? Concurrent enrollment agreements with many high schools and technical education centers are available. Information can be found online at:

www.emcc.edu/academics/programs/early-college

Did you graduate from high school in 2020, 2021, 2022, or 2023 or will be graduating in 2024 or 2025?

Then you may qualify for the Maine Free College Scholarship at EMCC!

Did you know EMCC has its own foundation?

Each year, our Foundation gives out over \$100,000 in scholarships to EMCC students. Visit emcc.edu/foundation to learn more and apply.
