*Fees, room, and board are additional. Nursing program is not eligible for the Community College tuition rate, but other generous scholarship offers are available.

GET THE CREDIT YOU DESERVE

You've worked hard and we recognize that. Our **generous transfer policy accepts up to 90 credits**—grades of "C-" or better are transferable—and we will work with you to make the process easy.

APPLY AND GET ACCEPTED FAST

Apply for the fall or spring. With rolling admissions, you'll receive a decision in a few days and credit evaluation within two weeks. Community college graduates receive guaranteed admission.

DISCOVER THE DIFFERENCE

Your success is our number one priority—from the day you apply to the day you graduate. Here you will live what you learn with plenty of classroom time and real-world experience. You'll work side-by-side with expert professors who know you well, and you'll land internships in your field that will launch your career. Connect with Academic Advising, Career and Life Planning, and Mentoring Services that help you take your education across the finish line. Whether you choose to live on campus or off, NEC will feel like home.
