

Eastern Maine Community College

Surgical Technology - Faculty

Tisha Clark

(207) 974-4657 | tclark@mainecc.edu

Tisha Clark is the Program Director of the Surgical Technology Program at EMCC and is a Registered Nurse and Certified Surgical Technologist.

She has worked at Eastern Maine Medical Center and Inland Hospital intermittently since 2010. She admires the Surgical Technology profession and values education which she believes is the key to success.

Tonya Pickering

(207) 974-4654 | tpickering@mainecc.edu

Tonya Pickering is the Instructor for the Surgical Technology Program at EMCC and is a Certified Surgical Technologist employed at Eastern Maine Medical Center.

She has been a CST since 2019 after completing her Associate degree of Applied Science in Surgical Technology from EMCC. She also earned an Associate degree of Arts in Liberal Studies from EMCC in 2010 and a Bachelor of Science degree in Health Sciences from SNHU in 2024.
