TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

**Eastern Maine Community College
&
University of Maine at Augusta**

Statement of Purpose

The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from Eastern Maine Community College (EMCC) to University of Maine at Augusta (UMA). It is recognized that this agreement shall describe the required program of study at EMCC for admission eligibility to UMA and the degree program indicated.

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Science in Computer Information Systems
From: Associate of Applied Science in Computer Technology Coding

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Eastern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMA students. All applicants accepted to UMA's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B, & C.

> **Appendix A** Contains Admission Requirements of UMA
> **Appendix B** Contains side by side course equivalency tables for the academic program listed above
> **Appendix C** Contains a list of remaining courses to be taken at UMA

APPENDIX A
Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements:

Successful completion of the EMCC Associate of Applied Science in Computer Technology Coding, submission of a completed admission application, transcripts, and other supporting materials.

Requirements for the Bachelor of Science in Computer Information Systems: *(See Appendix C)*

Remaining required coursework is listed in Appendix C.

Residency Requirement:

Baccalaureate degree candidates must have achieved a minimum GPA of 2.00, fulfilled all program requirements, and have completed 30 credit hours in UMA courses, to include 9 upper-level credits in the major. The cumulative grade point average computation includes all course work taken at UMA. Any exception to this rule will be reviewed by the college faculty and approved by the Dean of the College.
