#### Program Milestones

Program milestone courses should be taken in the term and order noted.

#### Make Your Summers Matter

Strengthen your application over the summer:

- Shadow a healthcare professional.
- Earn your CNA.
- Take a summer course to lighten your fall load.

### General Advising Notes

- The General Education Elective is an unrestricted elective.
- Meet with your advisor each semester to confirm your pathway.

## Program Details

This 29-credit, one-year certificate prepares students to apply to EMCC's Nursing program and aligns with first-year requirements for Medical Radiography, Medical Assisting, and Surgical Technology.

Credits also transfer to four-year programs in nursing (BSN), public health, and health sciences.
