Dear Eastern Maine Community College,

ABC 7 & FOX 22 is seeking a creative, motivated **Commercial Production Director** to lead the creation of local TV ads and help with station promotions and projects from concept to air. This hands-on role requires close collaboration with clients and sales teams, production gear mastery, and efficient editing in a fast-paced environment.

Key Responsibilities

Pre-Production: Brainstorm concepts, write scripts, and storyboard with clients and sales staff.

Production: Direct, shoot, light, and capture audio for field and studio productions.

Post-Production: Edit video, design motion graphics, and mix audio under tight deadlines.

Station Promotions: Help produce on-air promos and help with special projects.

Qualifications

Technical: Expertise with broadcast cameras, lighting/audio gear, Adobe Creative Cloud (Premiere, After Effects, Photoshop) and AI tools.

Workflow: Proven ability to manage multiple projects and hit daily broadcast deadlines.

Communication: Strong client-facing skills with the ability to turn a brand vision into visual storytelling.

Why Bangor?

Bangor offers a great quality of life, an active downtown, a major waterfront concert venue, and summer festivals. Located in the heart of Maine, you're a short drive from Acadia National Park and Mount Katahdin, experience why Maine is called "*Vacationland*" all year round.

How to Apply

Send your resume and a portfolio/reel link to:
